I am renting a suite of rooms including 2 small unfurnished rooms, (a sitting room and a bedroom) and a private full bath. Bright, cheerful exposure. Ceiling fans are in both rooms.

\$525. per month, includes utilities. Use of kitchen, laundry. Available immediately

The home is a large, 2,300 sq ft, 3 story, 3 bedroom, 3.5 bath townhouse, with vaulted ceilings, ceiling fans, large kitchen, open floor plan. The house is only 7 years old.

I'm a professional female, middle aged, quiet, non-smoker. I have two cats, so only cat lovers, please. Sorry, no additional pets.

I'm looking for a professional, non-smoking, cat lover who is quiet, responsible and considerate.

The home is very conveniently located near Rt 55 and Rt 64 in Apex, across from a shopping center. Surrounded by shopping, restaurants, entertainment. Its an easy commute to RTP, Raleigh, Pittsboro and Holly Springs.

Please e-mail or text if interested, with phone # so we can chat.

Thank!
