Don't let carpet cleaning be a "tolerated irritation" in your life anymore!
 Save time and money by trying our Keep It Clean and Classy deal with carpet cleaning at \$0.10 per square foot!

A room around 300 square feet would cost \$75.00 to clean (\$0.25 per square foot) IF it is in "routine cleaning condition." That means no heavy traffic areas and multiple stains. If you follow the recommended time in-between cleanings from us, we will give you the price of \$0.10 per square foot; which in the case of a 300 square foot room, the price would be \$30.00 instead of \$75.00!! That is 60% off regular price!

All you have to do is make an appointment, pay the full price once, then schedule your next appointment within the recommended time-frame and receive your next appointment at that cost and continue to as long as you keep scheduling! If you're a current customer and received your last cleaning within the past 11 months, call us now to take advantage of this without having to pay the higher price!

Let us help you save time, money, and always have your carpeting looking excellent!
