

Water Drainage Problems (Landscaping

Location **North Dakota**
<https://www.genclassifieds.com/x-561058-z>

Need dirt installed under your landscaping rock, or remove dirt from your lawn for water draining problems.
 I also clean rock gardens back to the new look removing even old compost built up from deep within the rocks.
 Raking, Pressured wash cleaning,
 Staining, clear-coating, painting rusty lawn and garden features.
 Handyman- Fence & Deck Repair.
 Fast and cheep.
