2008 Exile Custom Chopper - Pure Sex

As part of a multi million dollar estate liquidation from Hawaii. This bike has been in a climate controlled garage since it was built in 2008. The owner, a custom home builder in Maui only rode it a couple of times and then it was just parked with the rest of the toys.

With less than 200 miles on it, the bike is brand new. Latus Motors has done a full inspection and replaced the battery and given it a 100% rating

This is more than a custom bike it is a piece of art.....I have ridden all my life and this is the most amazing bike I have ever ridden.

Russell Mitchell is the president of Exile Cycles they only produce about 20 complete custom each year. Exile Cycles are instantly recognizable for their clean tough industrial styling. Exile Cycles minimalist styling has always been popular in Europe and a big change from the mass of over-painted and over-chromed customs.

The bike Pure Sex was built for the discovery channels biker build off and was instantly in high demand.

Every inch of this bike is a engineering masterpiece with so many custom features. Start at the top of the

pure clean clip on drag bars with NO clutch or break handles showing..... the clutch is a twist grip on the handle bar. Both front and rear disc brakes incorporate into a single bar. Be sure to notice the 24" sprockets on the rear wheel. This is a TP 1000 cc 24 motor engine based gear drive raw iron sprocket by one of the industries best performance engine builder.
