

Auto Shop Help Wanted (,2639. USD)

Location **Pennsylvania** https://www.genclassifieds.com/x-561129-z

Obrien's Tire and Auto Service center is looking for an experienced mechanic to join our team.

Ideal candidate would be hard-working, punctual, and dependable, have their own tools, State/Emissions Certification (if you don't have this BUT you do have many years of experience or other certification, we may make exceptions- candidates with valid certifications would be given preference) and be able to perform the following duties:

Major and Minor repairs
State Safety/Emissions Inspections
Electrical repairs
Vehicle Diagnostics
Operating tire mounting and balancing machine
Driving to pick up parts, tires, or vehicles
Cleaning the shop

This posting is for a short term 'gig'- day by day at first. However if you work well with our team there will be more opportunities.

Gig requirements:
