I'm looking to make a little extra cash so is like to babysit for anyone who wants to go to the fair this Saturday either during the afternoon or evening for the concert. I'm open all day. Just text me if you like to meet me and set up for Saturday. Experience is I'm 40 years old, I have a 19 year old daughter and a 14 month old baby boy who will be with his dad so it gives me some free time to make some extra cash. I'll take your kids out to the park, shopping, or whatever you desire. They'll have a fun play time while you are enjoying yourself. Please contact me if your interested! Patricia Rokusek.

I live in West Fargo but have my own transportation so I'd be willing to go as far out as Casselton.&;
