Please ONLY respond to this ad if you are a musician in between bands AND you are actively looking for a new band to join!

I'm offering a \$50 prepaid debit card for anyone who can give me some advice. I'm building a new website that helps musicians find bands to join, and I'd like to have a quick phone call about your experiences and challenges in joining a band.

If you are interested, tell me:

1. A little bit about past bands you've been in/ your past music experience
2. Are you actively looking for a new band to join?
3. A good phone number/ time to call you.

Responses without this information will not be answered.
