Can you sell ice to an Eskimo?

Then this job is for you. Yet way more fun!

Our company works with many small business, mom and pop shops, and start ups. We pride ourselves in helping others grow their businesses and make money by helping them market their business.

No specific education level required except a Highschool Diploma or Equivalent.
It is necessary to have your own transportation and a drivers license.

Looking for someone who is:

- Money and self motivated
- Works well in teams
- Competitive
- Socialable
- Has prior sales experience
- Willing to learn and stay on top of the latest marketing trends.

You will be selling both products and services. We custom make signs, decals, advertisements (both printed and digial), websites, SEO, promotional products, vehicle wraps, radio commercials and any other custom products to brand, market and promote a company.

Please do not assume we will get you to set up a business. We do not come to work for a job, we come to work for ourselves. We are not interested in making any phone calls regarding this job.

Let's sell ice to an Eskimo.
