I have a job at a Toys R Us Express store in the Lodi Outlet mall in Burbank Ohio. The work has to be done overnight so business is not disrupted. Work will begin at 9-10 pm and go until approximately 6 am. The job will take two days to complete. The job is paying from \$12.00-\$15.00/hr.

If you're a good worker and looking for more steady work, there is more opportunity. I have another job at a Toys R Us in Aurora Farms and I could use another person to help with my workload in general. You have to be clean in appearance, professional and knowledgeable in several areas. A really good opportunity for the right individual.

If interested, please call me and I'll schedule a face to face and I'll have you fill out an application.
