The "Mallory" features The Latest design Pocketed Coil Cushions for excellent Comfort Durability and corner construction, making it ideal for use against walls in smaller rooms or for use in large rooms where the corner shape can create room separation. The frame is built so that the chaise can be used on either the left or right side, increasing the versatility of the overall sectional. It is covered with a combination of microfiber or plush chenile velvet and leather-like vinyl upholstery and features baseball stitching for a tailored accent. The seats have decorative tufts that keep the style current and wood feet and track arms help to enhance the contemporary look. This piece is complete with included accent pillows. Available in your choice of three color combinations - chocolate (#505645/505646), tan (#505675/505676), and cream (#505665//505666) microfiber or your choice of plush chenile velvet in the seating area and rich dark brown leather like vinyl in the base.
