Just wanted to say thank you, thank you, thank you to "CRAIGSLIST". Our phones ring every day because of "CRAIGSLIST" We have been fortunate to have used this service for around a year now of our 4 year old business. Our MISTAKE was not using this service from the moment we opened our door. If you are a small business, having a garage or estate sale, or have just about anything to sell this is your place to go for RESULTS. Come by and see us if it pleases you to hear first hand our experience. We are DJ's Collectibles 501 S. Mustang Road, Suite F, Yukon (1 Block South of West Reno and Mustang Road). Would love to share with you what we do, but I won't as this is about our appreciation of the great company called "CRAIGSLIST" Thanks a million!!!! We appreciate how your services help the small family businesses who can't compete with the large retailers on the world.
