

# TAX RETURN ASSISTANCE (philadelphia)

Location **Pennsylvania**  
<https://www.genclassifieds.com/x-561255-z>

We can help you with any tax issue you may be having. Do you have returns that haven't been filed? We can help you file returns as far back as you need to. Incorrectly filed tax returns? We can also amend as many years as you need. Keep in mind, though, that you only have three years to claim your refunds. After that, Uncle Sam keeps them and says "Too bad!". If you owe, there is no time limit but let's get them filed as soon as possible. The tax liability is not going away. We can help you set up a payment plan if needed.

Send me an email or give me a call letting me know what your tax situation is and I will respond as soon as I can with a solution. We will not charge you until you actually have us prepare something for you.
