I am offering you a way to get media help at the fraction of the cost of an agency.

I am a LOCAL award winning writer/author/journalist with years of PR experience. I work privately, saving my clients tons of money with great results.

I have done successful media pitching for individuals, non-profits, and large corporations. I have won Emmys for both news and public image campaigns.

Last minute press releases and local/national media pushes...NO PROBLEM.

I am also an expert in Media Crisis Management and do national seminars on the topic.

I am available to help you. Please reply with a short description of your project and your contact info.

Thanks.
