Do you have pants that need hemming, buttons sewn on, seams repaired or perhaps, needlework completed and you don't know how to do it yourself? I can assist you with that! I have over 40 years of experience mending, hemming, sewing with patterns, or making my own patterns. Plus, I have completed many counted cross stitch, needlepoint pieces, and crochet projects (afghans, lacy curtains, etc.) Reasonable rates.

In addition to the above, I can also teach you how to use a sewing machine or sew by hand.

Please contact me by replying to this ad and I will get back to you as soon as.
