Looking for an exciting career in fitness?

Are you dedicated to motivating and inspiring clients in private and small group settings?

Would you love to work from your laptop?

We're currently looking for energetic, enthusiastic fitness coaches to join our team. You will work with private clients and run small group sessions to help clients achieve their goals. If you are passionate and committed to helping your clients reach their goals, we want to talk to you!

Must possess the skills to:

Provide exceptional customer service

Impact and motivate clients along their fitness journey

Run online support groups with daily accountability

Help to personalized fitness journeys with the correct programs and nutrition plans for the client

Conduct consultations

Assist with additional responsibilities such as helping with purchases, answering questions, ect.

Help with promotions, finding clients and client retention

Must be at least 18 years old, have a positive attitude, and reliable internet access.

Please email us for more.
