Hi
My family and I are looking to get a puppy that will get big. My husband is a truck driver and always gone and we want to get a puppy and train it to protect me and my 3 kids my oldest is 17 and her and her son live with us and then I have two 12 year old twin boys . We have a lab mastiff and he's a great protector but he's getting older so we need a puppy to fill his place ! We're open to any kind of medium to extra large breed! But really want it UNDER 3 months because it will grow with us and we can train it ! I'm really low on income because one of my kids are disable so I really am not looking to pay outrageous for a puppy! And we have all the things just need the puppy and to take him to the vet . Really don't want someone trying to give me a sick dog ! Because i will report you . If you know anyone that has a free puppy or a puppy with a very low rehoming fee contact me nothing over 40 please ! I will still have to get shots and I need to save money for that ! Thank you
God
