I love babies! If you are wanting an overpriced, formal, institutional style, robotic child care provider or multiple providers who change shifts during the day--I'M NOT IT!

IF you want a grandmother with years of experience and excellent references who will love your baby, rock your baby and give them a sense that they are loved, they matter and they are safe--then bring that sweet baby to Memaw's House!

I have been registered and listed with Texas Dept of Family and Protective Services to provide child care in my home for years! I have the references to back up my claims as well. I also don't provide care for more than 3--and usually not more than 2.

Why do I have openings if I am so good? Because we just moved from the Keller/North Haltom area to the Joshua/Burleson/Egan area to be closer to our church--Shepherd's Valley Cowboy Church. Obviously my former kiddos with parents who work in the northern part of FT Worth could not come to me over an hour away. So I am starting over here. Don't wait because like I said I do not care for large groups of kids. I care for infants up to school age (and yes I have cared for and will consider school age).

We (my husband and I) stay currently listed with TX DFPS and pass their periodic background checks (something you want anyone tending to your little ones to have). My husband works outside the home during the day. We are a smoke-free and alcohol free home. Our home is not fancy but it is well kept. We

have a fenced backyard, play room, separate playpens for naps (your baby will be the ONLY baby sleeping in their playpen).

My husband is the best. We don't get hold of him. Please leave a message if I don't answer but I will get back to you as soon as I can. My husband's set up is perfect for visits.

Photos are of me, some of the babies, some of the playroom, my husband with our older 2 daughters.
