Cuteness alert! Little Bentley is a Yorkie/Lhasa Apso mix who is ready for a new leash on life! He was brought in by his previous owners because he was too active for them. He has a happy, playful personality that will be sure to bring joy to his new family! He has gotten along great with the other small dogs in his room, and has been friendly with all his visitors too. Bentley is in need of a good haircut, and will need regular grooming to keep looking his best. He has been neutered, current on his vaccinations, heartworm negative, and microchipped. Come and meet this cutie at our Waggin' Tails Adoption Center in Benbrook. We are open daily from 12-6pm.
