

Malibu Echelon skiwakeboard tow boat (9000 USD)

Location **Wisconsin**

Very nice 1994 Malibu Echelon ski, wakeboard, all around tow boat for sale. This boat is credited for putting Malibu boats on the map! New short block installed two years ago with less than 30 hours on it. Rest of boat has only 367 hours on it.

Just a couple normal wear tears in upholstery that can easily be repaired and boat would be mint.

Powerful 350 Chevy/Mercruiser engine, digital dash with cruise control, cover, brand new OJ prop, still in box!

Get out and enjoy the water for years!
