Veterinarian offering pet, horse and/or livestock care at your home or farm in the Franklin, Brentwood and South Nashville, TN areas. Offering morning and evening feeding/watering and exercise as needed. For horse owners, I am not afraid to get a little dirty and am willing to clean stalls as needed. Price will be negotiable and depends on the number of animals being cared for, distance traveled and services requested with a minimum of \$15/hr.

I have been a veterinarian for just over 4 years and have experience working in mixed animal private practice. I grew up around livestock and horses and have always had dogs. I love animals and am a hard worker so if you have special requests just ask. If your pet requires a little tlc or medication arrangements can be made. I work full time during weekdays so am unable to offer mid day services. If interested I prefer that you call so we can discuss your situation and needs in detail and arrange to meet to go over your routines. I can provide references or a resume if.
