

Tennis Lessons for Beginners (UWGreenlake)

Location **Washington**
<https://www.genclassifieds.com/x-561645-z>

Get in shape this summer by learning the basics of tennis!
All ages are welcome! I have worked with small children and senior citizens!

Learn quickly from a passionate tennis player and an expert teacher!

Learning proper stroke techniques from the very beginning makes a ton of difference!

In just a few lessons, I will have you hitting the ball the right way, teaching you the basics of the forehand, backhand, serve, volley, and also proper footwork.

I can also provide important aspects of instruction on fitness. It is a great way to get into good shape.

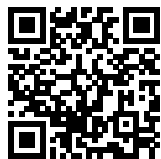

I know how it feels to be frustrated myself with the game, but I promise you that you can quickly overcome the frustration and play good tennis in a short time, and most importantly, you'll feel good out on the tennis court.

\$30/hr or \$40 for 90 minutes).
Lessons normally conducted at UW Denny Courts or Greenlake.
