2007 Ford Fusion SEL. Super nice car. No dents, never had an accident, clean title in hand, cloth interior with no stains, 6 cd changer, completely loaded. Power windows, Power door locks, power seats, keyless entry, super cold A/C. Hot Heat, Huge trunk. Runs great. I just had the whole car gone through and had brand new rotors put on. Steering wheel controls heat-A/C-and Radio. Great looking and solid car. Good tires, always maintained to factory standards. Just detailed. Upgraded to something newer. Great-safe car for a teenager or anyone looking for a nice ride with great gas mileage. Asking \$6000 or Best.
