Shih Tzu pups, 4 boys and 1 girl, they are going to be 8 weeks old and were born on May 13th. they had their shots and were dewormed twice. The mom is 8 pounds and the dad is 7 pounds. The dad has papers and the mom doesn't. I am asking to rehome them because my dog got pregnant and I cant take care of them with schooling. All of them are very playful and love to be petted. They eat dry and liquid food, and are ready for a new.
