God loves people and wants them well. We would love to pray for you! Regardless of what you believe, we will pray for you free of charge. We will not accept offerings or donations, and are not trying to get you to come to our church.

Jesus healed all the came to Him, when He left He sent his followers saying " Peace be with you! As the Father has sent Me, I am sending you" John 20:21. God wants us well but He moves and flows through believers.

Jesus said "Believers will lay their hands on the sick, and they will recover." Mark 16:18

If you have injuries or sickness or pain you can be set free. To God be all the glory, we see people healed on a regular basis from addiction, sickness you name it, Jesus paid for it! He wants you made whole period.

The best way to minister healing is directly by meeting you at your home or work. We come with love and a kind hearts, not to condemn or judge but to bring life. Another way is over the phone we see results aswell. Prayer in private does work, but the best results we see are when we minister healing directly in person.

My question to you is what do you have to lose? You don't have to be a believer to be healed! Tell us you name and condition and we will get back to you. The reason we don't mention what church we are from is because we don't come in the name of a church, we come in the name of Jesus.

God bless!
