

Pewter Female Ball Python (Snohomish County)

Location Washington
<https://www.genclassifieds.com/x-561767-z>

Hello I have a beautiful Pewter female ball python that I am looking to rehome. She is around 1200 grams or so and was born in 2012. She eats very well on live and f/t prey. I am asking a rehoming fee of \$200 for her. The animal in the picture is not her, but they look almost.
