

Searching for MALE roommate (NashFranklinBrentwood)

Location **Tennessee**
<https://www.genclassifieds.com/x-561839-z>

Currently living in a one bedroom apt in Green Hills and want to give my wallet a break. Would love to find a gay friendly male roommate that is neat and clean for a roommate/friend setup. If you currently have a place and looking to rent a room, shoot me an email. I am also open to finding an apt together. Work in Cools Springs and Downtown Nashville so would love to find something centrally located.

Me: Mid 30's/two jobs/relaxed & quiet/no pets/non-smoker/social drinker/no.
