

# 2008 Yamaha YZ85...Extras also for sale (1500 USD)

Location

Tennessee

<https://www.genclassifieds.com/x-561854-z>

We are selling our 2008 Yamaha YZ85 dirt bike. This was a family bike that we bought to ride on our property. My youngest son wanted what his brothers had and then after a couple of rides changed his mind. Never had any issues with it and the bike runs great! Always ran 32:1 yamalube with premium gas through it.

We have hardly used this bike over the years and it still starts up in 1-2 kicks and runs great with a lot of power. Bike is 100% stock other then a exhaust. Never raced or crashed. The bike alone is listed for \$1500.

I have a many new parts for the bike still in there package unopened. Items such as (sprocket, chain, compression releases and a few other items) I also have many MotoX wardrobe items. Some new and never opened out of the bag as well. Items such as boots, gloves, pants, shirts, chest protecters and neck braces). Easily \$750 dollars worth of parts and extras. These I will sell separately or together. Just ask about each or all.

This is the best YX85 deal you will find. I am ready to sell it so it will go quick.

You can call or text with any questions at or its best to come and see. I am located in Brentwood TN.

Due to the bike being 7 years old it is sold "AS IS" with no.
