We have 2 cabins for rent just south of Stony Lake on Lake Michigan. You can take the Badger or Lake Express across Lake Michigan and it's an easy 40 minute drive to our cabins. One cabin is 2 bedroom one bath for \$1000 a week and the other is 3 bedroom 1 bath for \$1200 a week. This is directly on Lake Michigan with fantastic white sand beaches for miles in either direction. This is a peaceful and quiet spot, not an overly crowded party place. It is a fantastic place for kids. Look on facebook for "Lake Michigan Cabins" for more pictures and info. If you are interested send me your number and I'll call you. No number, no!
