I am looking for a 2 bedroom for around october. Would prefer to have everything included but it's okay if it's not. Looking to pay \$700 or under. Doesn't matter the size as long as my stuff fits and it has store and washer and dryer hook ups gas and/or electric. I also will have 1 husky/lab mix who is 10 years old. So must except 50lb or larger breeds of dogs. Looking for a landlord and/or manager who can work with my pay.
