I'm looking for a temporary rental/sublease for Aug-Mid-Jan. (till end of Dec would be accepted) I need private room and shared kitchen, bath and laundry. Preferably east side/riverwest/shorewood (anywhere accessible to UWM within 20-min bus drive so no need parking lot) I'm super clean, quiet and drama-free. I can pay 6-month-rent one time if you want. Preferably no more than 500 rent.

Thank you
