Advanced Feedback, Inc. is looking for individuals to help complete restaurant service evaluations in Cheyenne. Whether you live in the community or driving through, you may be eligible to participate.

If you have a keen eye for detail, you are a good writer, and have the ability to observe and be objective, this is an opportunity to help local businesses improve service and enjoy a \$100 meal on us, plus additional pay. If you have not done these types of evaluations before, we have material for training. You will be visiting these restaurants as a real customer (undercover), and making careful observations of employee service and sales practices. Following your visit you will be required to complete a detailed questionnaire and write a narrative style summary of your observations online.

To register and apply for these opportunities, please go to: [www.advancedfeedback.com](http://www.advancedfeedback.com) then click on Shoppers in the upper right corner and follow the instructions. Once you are in our database you will also be notified about other assignments in your area and be able to research similar jobs in other cities.

All awarded assignments offer reimbursement of purchases plus a fee for your completed report.
