A few of us will be visiting Jackson Hole in August. I tend to fish the Snake or Salt River once or twice every year when I am there. The guide service I usually use has gone crazy with their prices and I can hardly afford \$550 -\$600 a day for a 13 mile drift and 8-12 fish. I am looking for someone that has experience in rowing and guiding that may have a day off and wants to make extra money. If anyone would like to float myself and another down as a side job please respond. VERY IMPORTANT. Please have a drift boat and experience guiding. I love to fish but hate the prices of a outfitter now days. Willing to pay good money and I will buy you lunch. How about that for a change? In addition, this can and hopefully will be a long term relationship every year if you are good and trustworthy.
