Location **Wyoming**

I need someone to pickup my 5th wheel rv and haul it from Hill City SD to Casper WY. 34 ft rv, 8500 lbs. The total mileage is 225 miles. Would like to trade for rv rental in exchange for the haul. We usually rent it out for \$250/night. Please call or negotiate if you have a gooseneck ball or fifth wheel hitch. We have a fifth wheel hitch but you would need to let us know if we will need to hook it up before Friday, July 9th. It needs to be picked up then. Delivery to Casper WY is negotiable and more lenient on.
