Just had a new home built, fully furnished and have been considering a roommate. Im a single professional male 45, very clean and meticulous. (NON SMOKER) I have a 4 bedroom home with a game room and media. You would have a furnished bedroom and private bath upstairs. Very Private. Home has additional guestrooms, game and media room upstairs. I live alone so the Ideal situation would be a med student and or other Professional person who travels. Preferably someone who works normal business hours. Will consider short term for someone who's relocating and needs time to discover the area.

VERY LOW KEY ATMOSPHERE. NO SMOKING, NO DRUGS AND NO PETS. Major ++++ if you eat healthy and workout...my community has great walking trails and nature preserve. Someone late20s to mid to late 30's with an active lifestyle would be awesome. Socially liberal, fiscally conservative.

ALL BILLS INCLUDED..INCLUDING WIFI AND UVERSE CABLE. Garage to park one vehicle will be provided as well.

BACKGROUND AND EMPLOYMENT/Character check. Deposit to be discussed. No felons. No drugs. No Smoking. No pets. A great place to call home.

Great living environment for a well rounded and responsible person. Gay friendly.
