I recently discovered i have an aluminum powerglide transmission out of a chevy sitting in my barn. It will need completely cleaned and rebuilt and doesn't have a torque converter. The case looks good, don't see any cracks. Sorry, don't have pictures but it just looks like a transmission, no surprise there! I can't remember where it came from but I know these are highly sought after. \$175 obo. If it is the weekend please call me at I don't know anything else about it so please don't ask me tons of questions.
