

Models (male or female) wanted for local photo shoots (Mad River Valley to Burlington)

Location **Vermont**

I'm a local photographer with a focus on landscape and street photography, but I'm looking to branch out into fashion and lifestyle work primarily as practice for weddings and HS senior sessions. I'm looking for local models to work with.

I'm easy going, nice and charismatic. This is not your typical creepy Craigslist photography ad. I'm not going to be asking you to take your clothes off or anything like that. I shoot professional equipment and conduct myself in a professional manner. You will be comfortable.

I'm seeking models who have a sense of style and can do their own makeup. Shoots will be outside in natural light.

Monetary compensation can be discussed, but ideally your compensation will be 3-5 edited, high resolution digital files. I can also make arrangements for the photos of your choice to be printed.

You will need to sign a model release form granting me permission to use photographs as part of my portfolio.

Please email with your favorite color as the subject line to weed out spam. To speed things along, I also request that you include 2-3 recent photographs of yourself showing your face as well as what you consider to be your personal style clothing-wise.

Thanks for taking the time to read this. I hope to hear from some of you.
