Too many foster cats need to let a few go!! Tabby female no tail, found pregnant probably due within the month. Siamese/tabby female about 1.5 years old has had a litter of kittens in the past. Both inside cats, litter box trained and have received a dose of flea and tick treatment this month. If interested please contact me through e-mail. Small fee to ensure they will not be used as bait animals! Need homes ASAP!! Going on vacation at the end of the month and would really like them re-homed!
