I have an eight week old beautiful female Australian Shepherd/Heeler mix puppy (she is the one toward the front of the pic) named Nala. However, I also have a Chihuahua who is older and doesn't want her in her space! Nala stays right with you and listens to everything you tell her, She is so loving and has a good head on her (common sense). Nale is a a laid back puppy, not hyper. I have her inside breaking her to a kennel, but just can't keep her. She is wormed and up to date on all shots. If truly interested in her, you can txt or call

There will be a small adoption.
