Location **Tennessee** https://www.genclassifieds.com/x-562099-z

Found a sweet female dog in the streets on Belmont and Blair around 9:15PM on Saturday, July 10th. She is black and white mix- perhaps Border Collie/Retriever/Lab. Email, call, or text me if you are the owner. I'd like to see pictures before you claim her- just in case. :)
