Christian lyricist (ASCAP) seeks to co-write with a Christian singer songwriter/performer. Open to all genres except metal and rap. Must be serious and career/ministry minded. I have been involved with several indie projects and also had a secular song on the soundtrack of the indie comedy film "Arizona Seaside" (trailer on You Tube). I can provide you with lyrics or add new ideas to songs you've started. As far as musical tastes, my personal collection includes such artists as Chris Tomlin, Casting Crowns, Micheal W Smith, Kutless, Third Day, Barlow Girl, Petra, Margaret Becker and John Elefante. Please include links to your previous or current.
