Hello!

My name is Jane and I'm looking to do some cat-sitting. I've had cats my entire life and I'm almost 50 years old. I currently have a Calico named Jenny who's a real sweetheart.
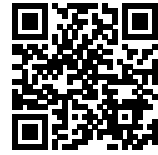

I live in Waukesha and will travel up to 5 miles from my home near Carroll University to care for your cat/s while you're away.

I don't smoke and can provide personal references as needed.

Send an email my way and we can discuss this a little more.

Thanks!

Jane and
