DON'T HAVE TIME TO CLEAN YOUR HOUSE?

I have at least 12 years experience cleaning and organizing houses,apartments and businesses. I am very professional, organized, honest, and friendly. I enjoy making others happy and making sure everything is up to standard. I do the bathrooms, kitchens, bedrooms, vacuum, mopping etc. I provide one time cleaning, weekly, bi-weekly, and monthly cleaning. If you wish I'll bring my own supplies.You won't be.
