My name is Travis. I'm a teacher of both elementary and Ski school. I'll be requiring housing for long term till next summer. I own a rescue dog that is 3 years old and amazing. We aren't in need of anything extreme. Just looking for a nice condo or house that can be affordable. If you have or know of what I need, please email me. Looking to move in by Mid-August if possible. Anything on bus route is a plus. Looking at all surrounding areas as well.
