Recently I have considered moving in with a family member here in Laramie and I need someone to take over my lease with the pointe apartments in Laramie. It's a beautiful place and you get your own bedroom, bathroom and walk in closet. I also got a great deal since I signed my lease so early. There are three roommates there but they are good friends of mine and are hardworking but fun UW students. Please text me or email me if you are interested or know someone that would.
