Im moving in a few days and need to get rid of everything. I have a small exo terra, a 10 gal thats slpit in the middle, and a bunch of 2.5 gal tanks with custom lids i made. They all use to house tarantulas and are in great shape. I also have a bunch of fish tank stuff and lots of randome house hold stuff. I also have a room full of stuff i need gone. including: desk chair, small kitchen appliances, space heater, clothes, electronics, cameras and more. just let me know and you can stop by and take a look. itll all be very cheap because i need it.
