

# Catahoula leopard dog needs a new home. No kids... (Chester)

Looking for a home for one of our dogs, Chandler. We rescued him 6 years ago as a puppy and has been well cared for.

He is not good with our daughter and we are not going to risk it anymore. He is a catahoula.

He gets along with our other dog, but I don't think he could meet a new dog and do well, so it would need to be a one dog home.

He is great with my wife and I, loves to curl up next to adults when he knows them.

There can be no children at his new home.

It's probably a long shot but if you know someone with a little land and loves dogs, please share or let me know. Chandler is the black dog in photos.

He's an excellent watch dog and great adult companion.

Not asking for money, just a good.
