

Two free black kitties

Location **Virginia**
<https://www.genclassifieds.com/x-562200-z>

Two male brothers. I need them gone by the end of next week, im extremely allergic. I adopted them from the pound, they are about 3 months old now, they are up to date on shots, microchipped and both fixed. They are great cats. They love to cuddle and they purr for hours if you pet them. I am sad i have to get rid of them but i am too allergic.
