I am currently employed full time at a shop, and need to make a change do to schedule conflicts. I would be happy to stop by with my tools and license, and cut any head that may walk into your shop, so you can see my skill level. Below are a few pics of my work, and if you would like more, just text James at six zero two 715-6462, or reply by email, I will get either one right away, thanks!
