Needed: an honest kind hearted person to serve as an unbiased supervisor for me and my 3 young children. I need someone who is willing to be the supervisor for me to have visitation with my children. My days are every Wednesday from 2 to 4 pm. And every other Saturday and Sunday for 6 hours each day. I need someone who will be able to meet me and the children at various places to be determined. Supervisor will need to meet with my ex as he has to approve the supervisor. I desperately need someone who will be honest and trustworthy. I can offer 10 dollars an hour. Supervisor needs to be punctual, reliable, and have own transportation. I am willing to accept any amount of hours on weekends. Please let me know if you are willing to help. I need to find an unbiased supervisor who has no connections to me or my ex. If anyone can even tell me of a place that would provide these services I would appreciate that also. Please email your information or text me. This is a serious request from a desperate mother who needs to see my children. Thank you. Must b willing to meet me sometime and father.as father has to agree and our situation is difficult and u need to know exactly what going on and get truth which is from me,not dad... but im not a person to talk negative about him although I should NEVER be n this situation... would b better if u have any affiliation with organizations or degree in anything child...fingerprint card would b great.. father must agree and these are his terms although as stated before I shouldn't need a supervisor he
