

Referral program for web designers

Location **Arizona**
<https://www.genclassifieds.com/x-562297-z>

This referral programs can benefit any web or graphic designer who is capable of getting their customers to switch merchant services.

Our referral program offers \$100 plus a monthly residual for our referral partners.

Referring a customer is an easy and effortless way to generate extra income. You provide the referral and we take care of the rest!

Reliable and around the clock, we provide 24/7 customer support, so you know your referrals are taken care of.

The monthly residual income from ERP has not limits and continues indefinitely as long as the referral relationship exists.

MiCamp's payment solutions play nicely with most 3rd party software products, easily streamline their business processes.

Our company is an American based company with an A+ in BBB.

We provide physical terminals as well as virtual gateways including authorize.net
